**ABOUT ALL BABY & CHILD/ABC KIDS EXPO**

All Baby & Child Corporation (ABC), parent company of ABC Kids Expo®, is a non-profit public benefit corporation that was founded in March 2003. It is a historic partnership between independent specialty stores and the manufacturers who support them. Our united goal is to promote the continued growth and prosperity of independent retailers and manufacturers in the juvenile products industry.

Its objective is to produce trade shows and events that enable ABC to fund critical needs in the industry, provide educational opportunities to industry constituents and grant assistance to worthy charitable organizations, while always protecting the financial health of the trade show.

Since 2003, ABC and its exhibitor partners have contributed millions of dollars in funding and in-kind product donations to charities that work for the health and welfare of children. We are major supporters of First Candle, Kids in Distressed Situations (K.I.D.S.), and Cribs for Kids, among others. In recognition of its support, commitment and partnership within the philanthropic community, ABC was named the 2010 First Candle Honoree.

The ABC Kids Expo® and ABC Spring Educational Conference & Trade Show are private trade events and not open to the general public. For more information about the organization, its charitable giving, and its conference and trade shows, contact Larry Schur, Show Manager, ABC Kids Expo, PO Box 780847, San Antonio, TX 78278 USA.

New Product Showcase

Located in the upper level hall near the registration desk for maximum exposure, our extremely popular New Product Showcase offers manufacturers a platform to introduce their hottest new products for the coming year to the industry.

We host a reception in this pavilion the evening before the show officially starts. This event is open exclusively to independent specialty retailers and members of the media, allowing many of these products to receive international online publicity before the expo even begins.

Applications are available through our web site under the Learn More > Exhibitor tab. Submissions for this year's showcase will be accepted through August 28, 2015 or until the showcase is filled, whichever comes first. For more information, contact Sarah at (210) 691-4848, extension 111, or sarah@theabshow.com.

Made in the USA Showcase

Located inside the lower level exhibit hall entrance, the Made in the USA showcase features products that are proudly made and manufactured here in the USA by our participating manufacturers. Much like the New Product Showcase, Made in the USA, provides space for manufacturers to display their products in a separate showcase.

Applications are available through our web site under the Learn More > Exhibitor tab. Submissions for this year's showcase will be accepted through August 28, 2015 or until the showcase is filled, whichever comes first. For more information, contact Amanda at (210) 691-4848, extension 113, or amanda@theabshow.com.

Naturally Kids® Pavilion

The Naturally Kids exhibitor pavilion showcases manufacturers of environmentally friendly products that are healthy for both families and young children and demonstrate a responsibility to our planet and its natural resources.

This juried section of the show includes a comprehensive collection of manufacturers from a number of different product categories.

Modern Child® Pavilion

Our Modern Child Pavilion features juvenile product manufacturers that focus on contemporary design and high functionality. This juried section of the show represents the most innovative designs within numerous product categories.

Emphasis is placed on originality, creativity, innovation and authenticity, as well as functionality in addressing and solving the needs of today's parent and child.

You can get an application for this year's pavilion through our web site under the Learn More > Exhibitor tab or by contacting Sarah at (210) 691-4848, ext. 111, or sarah@theabshow.com.

The Invention Connection

ABC Invention Connection returns after its successful debut at our 2013 show. Located inside the lower level exhibit hall entrance, this enclosed pavilion features inventors and their products, which are in either a conceptual or prototype stage.

Inventors seeking manufacturers to produce and/or license their products, as well as those interested in getting feedback about their products from retailers and the press, may contact Taylor at (210) 691-4848, ext. 116, or taylor@theabshow.com. Deadline for submissions: August 7, 2015.

BOOTH ASSIGNMENTS

ABC Kids Expo® assigns booth space locations using a variety of predetermined factors.

Requests for placement on corners, end caps or other booth configurations, or to be near or next to other exhibitors, will be considered but cannot be guaranteed. Prior participation at ABC shows is not a factor in booth placement, and we do not use a point system in the booth assignment process.

ABC Kids Expo® reserves the right to change the floor plan, including but not limited to aisle space, and booth assignments without notice to provide a more satisfactory, attractive and successful exposition.

Assignments will be made approximately 90 days prior to the show and are not confirmed until payment is received in full.

The 2015 floor plan and exhibitor list will be available approximately 90 days prior to the show. To view the 2014 floor plan and get more information about reserving your exhibit space, look under the Learn More > Exhibitor tab on our web site.
